

## News

### Choppers to be unveiled April 23

#### Manitowoc County High School Manufacturing Project

After months of hard work, five student teams will be able to show off their completed mini-choppers at the Mini-Chopper Unveiling Event next Friday, April 23 at the Manitowoc County Ice Center, 4921 Expo Dr., Manitowoc.

Through the construction of the choppers, students learn hands-on design, project planning, engineering, fabrication and manufacturing skills, as well as skill sets like team work, time management and problem solving.

This year's teams include a Valders High School team sponsored by Baileigh Industrial, a Lincoln High School team sponsored by Heavy Metal Fabricators, a Manitowoc Public School District team sponsored by Lakeshore Technical College, a Mishicot High School team sponsored by Manitowoc Ice, and another Lincoln High School team sponsored by Manitowoc Tool and Machining.
